

Dear Parents and Families,

Please join the Vinton PTA in sponsoring local families who are in need this holiday season. This year we are partnering with Mansfield Human Services to help provide families with holiday gifts.

The holiday program will begin the week of November 14th. We invite you to stop by the PTA bulletin board or by the Gym at pick up time to take a star representing an item on one of the family wish-lists. Purchase the gift on the star and return the item by **Tuesday December 13th**.

The gifts should be **wrapped** and placed in the box located outside the front office. If purchasing a gift card, please put the card in an envelope and drop it off in the Vinton office. **Please tape the star to the present so we know who the present is for.**

Thank you for your generosity in sharing the holiday spirit with families in our community!

If you have any questions, please contact Cathy May at 860-682-3586 or Amy Lapsis at 860-450-8636. Thank you for your help!
